Second International Workshop on Emotion Awareness in Software Engineering

ICSE 2017 Workshop – Buenos Aires, Argentina

May 21, 2017

#semotionws

#icse17

Affective Software Engineering

- Two major areas
 - Text: Sentiment Analysis
 - Physiology: Affect Detection
- Impact
 - Understanding your Users' Emotions
 - Connecting Emotions to Performance
- Development of New Methods and Tools

Agenda

09:00 - 09:30	Opening
9:30 - 10:30	Session I: Analysis of Users' Emotions (<i>Chair: Nicole Novielli</i>) <i>Paper, paper, demo, paper</i>
10:30 - 11:00	<i>Coffee break</i>
11:00 - 12:30	Session II: Emotions in Software Development (<i>Chair: Bonita Sharif</i>) <i>3 papers</i> <i>5' break</i> <i>Paper, demo, paper</i>
12:30 - 14:00	<i>Lunch break</i>
14:00 - 14:45	Poster Session <i>5' break</i>
14:50 - 15:30	Keynote: David Redmiles (<i>Chair: Andrew Begel</i>)
15:30 - 16:00	<i>Coffee break</i>
16:00 - 16:30	Session IV: Emotion Modeling and Measurement (<i>Chair: Filippo Lanubile</i>) <i>2 papers</i>
16:30 - 17:30	Discussion <i>Two 20' discussions + 20' summary</i>

Papers: 12' + 3' - Demo: 7' + 3'

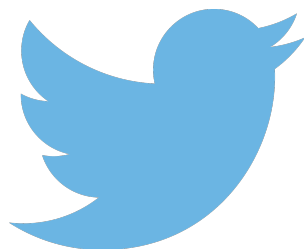

SI: Affect Awareness in Software Engineering

- Journal of System and Software (Elsevier)
- Important dates:
 - Abstract (mandatory): June 15, 2017
 - Submissions: June 30, 2017
 - First decision: October 30, 2017
 - Final manuscripts: April 15, 2018
